

AA 1935 Air Boxer

The Air Boxer (Pneumatic Carton Stapler) is the most suitable machine when high speed and efficiency are required. The return of its anvil is automatic and it is possible to adjust the clinching of the staple as well as its penetration/. Handy and lightweight, the Air Boxer reduces operator's fatigue to the minimum.

The Air Boxer can be used for top and bottom closure.

A Bottom it (Codes 0514—0517) should be used in conjunction with this tool.

Staples:

- A58
- A4/4
