

KZ 8060 – High-Table Automatic Strapping Machine

Product code: 09537ECO

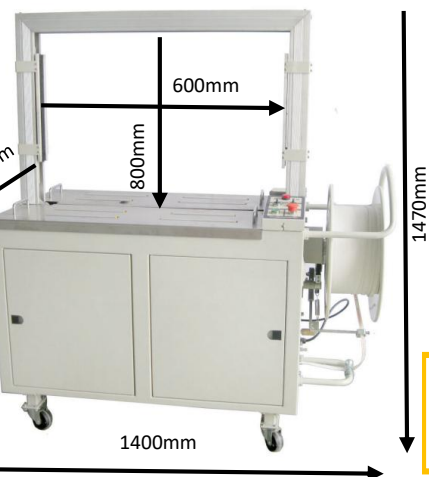

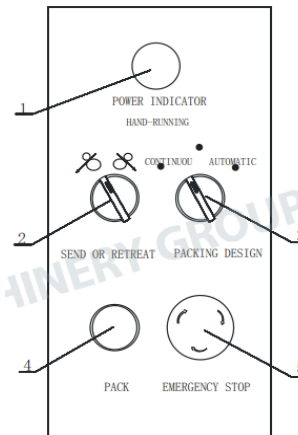

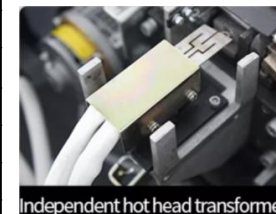

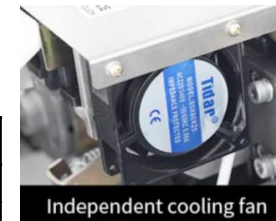

Features and Benefits:

- High Performance
- Ease of use and maintenance
- Advanced control
 - Manual
 - Automatic
 - Continuous mode
- Working Cycle electronically controlled by contactors
- Alloy Body
- Micro Computer PLC – Precise Control
- 3 High Power Motors

1. Machine Hull
2. Working Table
3. Frame
4. Guide Rail
5. Sealing Unit
6. Strap Disc
7. Strap Bin

Specifications:	
Model:	KZ-8060
Power Supply:	Three Phase - 380V
Max Power:	1000 W
Weight Capability:	30Kg Max
Table Height:	7500mm (with stand)
Outline Size:	1400x620x1470
Machine Weight:	190 Kg's
Strapping Force (N):	25-700 (adjustable)
Packing Speed:	<2.5 sec per strap
Max Product Height:	550mm
Strapping (Width/Thickness):	9mm -15mm / 0.5mm – 1.1mm
Strapping:	Polypropylene Only

Polypropylene
