

Polypropylene carrier coated with high grade hot melt pressure sensitive adhesive. It has a pre-treated backing. Printing up to 3 colours with a customised logo.

Features & Benefits

- Available sizes: 48mm, 72mm (Custom on request)
- Colour: White, Brown, Transparent, Printed

TECHNICAL DATA	
Backing Material	Polypropylene
Type of Adhesive	Hot Melt
Total Thickness	45 Micron
Adhesion to Steel	10N/25mm
Elongation at break	130%
Tensile Strength	90 n/in
Temperature	-20°C – 70°C
