

Wide Crown Heave Wire Stapler

Applications

Wire lathing, foam insulation board, furniture, cabinet frames, butt-joints and corrugated carton to skid

Features & Benefits

- Enhanced EZ-Clear™ latch allows for quick access to clear fasteners and a NEW aggressive locking feature provides superior holding power for complete control of the fastener, offering pinpoint accuracy and unrivaled driveability
- NEW Drive track design eliminates movement of the staple, enhancing overall drive performance and virtually eliminating fastener jams, skipping and misfires
- Robust firing valve design makes the tool fast, powerful, efficient, and easy to maintain
- Positive-locking adjustable depth-of-drive ensures consistently flush drives and helps prevent overdrives

Technical specifications

Dimension (LxWxH)	387x105x229 mm
Net weight	2,3 kg
Firing mode	Dual
Operating pressure	4,8 - 8,3 bar
Air consumption (at 60 shots per minute)	90 l/m
Operating temperature range	-18 - 49 °C
Shots / second	10
Magazine capacity	160 pieces
Collation type 1	Glue collated
Collation angle	0 °

Fastener specification

Description

PS15XP P-type Wide Crown Stapler

Art. Nr.

9T2001N
